

PARKES SHOW YOUNG WOMAN 2022

The Parkes Show Young Woman competition aims to find a young woman to act as an ambassador for rural NSW with her role involving many official and informal duties both at the Sydney Royal Easter Show and during her travels interstate and overseas. It is not a beauty pageant. Most importantly the young women must have a genuine interest in, and some knowledge of rural NSW. The competition encourages the participation and subsequent awareness of rural women's contribution and involvement in both local communities and rural NSW as a whole. Do not be concerned if you do not belong to a farming family. Rural also refers to communities in the country areas. However, it might be helpful if you have some knowledge of the agricultural industries of the area, and the businesses. The competition plays a significant role in the overall development of rural youth within this country and boasts incredible support from entrants, sponsors and organisers. Sponsorship at a state level is worth over \$14,500 in cash and prizes which does not take into account local show competitions.
