NOTICE TO ALL EXHIBITORS

Any exhibitors intending to bring electrical equipment onto the Showground MUST ensure that such equipment is fitted with earth leakage circuit breakers and that all electrical leads, tools and appliances have been inspected and tagged by a licensed electrical contractor. All electrical leads must be off the ground. This is essential for the safety of yourself, your fellow exhibitors and the general public and is a requirement of the WH&S Act & Regulations 2011. The Act imposes very severe penalties in the event of non-compliance with its provisions. Any exhibitor/s who do not comply will not be allowed to exhibit at the Showground. Please check all electrical equipment and leads before coming to the Parkes Showground to avoid the occurrence of any difficulties.

Any accident/incident during the period of the Show must be reported to the Secretary's office and verified and documented during the current dates of the Show, otherwise the Parkes PA&H (Show Society) will accept NO RESPONSIBILITY for the consideration of any claims.

Thank you
Parkes PA&H Association Inc.
